LOCATION

Avonmouth is the South West's largest centre for distribution with excellent links to Junction 18/18A of the M5 and M49 (South Wales and M4 connections).

The port of Bristol is served by rail freight and as a consequence, the area is ideal for serving regional and UK markets.

The premises fronts directly onto the main circulation road around Avonmouth itself known as Avonmouth Way with return frontage to Third Way. The premise lies approximately 400 meters from junction 18 of the M5. Bristol city centre is approximately 8 miles drive to the South.

The M4/M5 interchange is within 5 miles and provides direct access to London via the M4 and the Midlands/South West via the M5.

DESCRIPTION

The available unit is of steel frame construction with trussed roof and sheet roof facades. The unit has an eaves height of 5.8m (19 ft) approximately.
